

## What you need

The following required documents need to be sent to our office in Madrid at least one month prior to the safari:

- Photocopy of your passport
- Photocopy of the visa for entrance to Cameroon (ask the Cameroon Embassy of your home country/country of residence)
- Photocopy of your rifles import permit (ask the Embassy)
- Original medical certificate, stating that you are in good health and have no problem for hunting
- Original two passport photos of the hunter

A Yellow fever certificate/ vaccination is required by the Cameroon government; preventative malaria medicine, however, is recommended in addition.

### **Rifles:**

The Cameroon law allows for the importation of two rifles and one shotgun per hunter. There is a limit of fifty bullets per rifle/shotgun as ammunition imported per hunter. Depending on the animals to be hunted, we recommend:

- *Forest:*  
Most of the time you will shoot at a distance of not more than fifteen/twenty meters, but with some bush vegetation between you and the animal. We recommend one big caliber (375 or minimum 416 for elephant). You should focus more on the grains of the bullet rather than on the speed. A scope is not necessary.  
One shotgun is necessary to hunt duikers.
- *Savannah:*  
The best option is the combination of two rifles: a light one like caliber 270 and a bigger one like caliber 375 or more. If you are not hunting elephant, one medium/high caliber like 300 Magnum or bigger can be useful.

### **Clothes and others:**

- *Forest:*  
At least three complete dark green hunting outfits (long trousers, long sleeved shirts) and a light raincoat are recommended.  
Leather gloves, legging, sand glasses to protect you from vegetation and insects. Two pairs of Gore Tex hunting boots and one pair of light shoes for the camp. In addition, Gore Tex socks are recommended.
- *Savannah:*  
Some T-shirts, long trousers for hunting and shorts for staying in the camp, good boots and during the early season some light coat for the early morning.  
Don't forget your sunglasses, a hat/cap, a torch, photo camera and your light-weight pair of binoculars.

You will have daily laundry service in the camps.
