

CAMEROON RAIN FOREST

Hunting on a 1 x 1 basis. Each professional hunter has his own vehicle and a team of trackers and porters. All safaris are scheduled with a maximum of two hunters per camp at the same time.

On our 16-day safari, days 1 and 16 are transfer days. This means, there are 14 full days of hunting with some possible hunting on arrival and departure days.

(* **Anti-poaching and community-development program:** in order to support an effective year-round anti-poaching campaign, as well as for advocating the value of wildlife to the villagers adjacent to and within our hunting blocks, **a fee of 10% of the above trophy fees will be collected** to fund these programs under our direct supervision. We have implemented these programs in all our hunting areas and have found that the results of direct funding for these necessary actions have been extremely beneficial in the overall quality of the hunting experience offered to our clients. These fees are paid at the conclusion of the safari, based on the final trophy fee amounts.

Note: Government fees might be modified (increased) without prior notice. The outfitter cannot be held responsible for any such modification.
